

Registration Guide for non-Austrian companies that carry out waste transports in Austria

edm.gv.at

In order to register as a company (legal person / organisation) that carries out waste transportations in Austria, you must visit the website edm.gv.at and complete an online registration form (Registration Request). This guide is intended to help you to fill in the registration form.

Please choose the English language. The registration form is on the right hand side of the website (Registration Request):

1. Choose the English language here

2. Registration form

Continue by clicking the “continue”-button

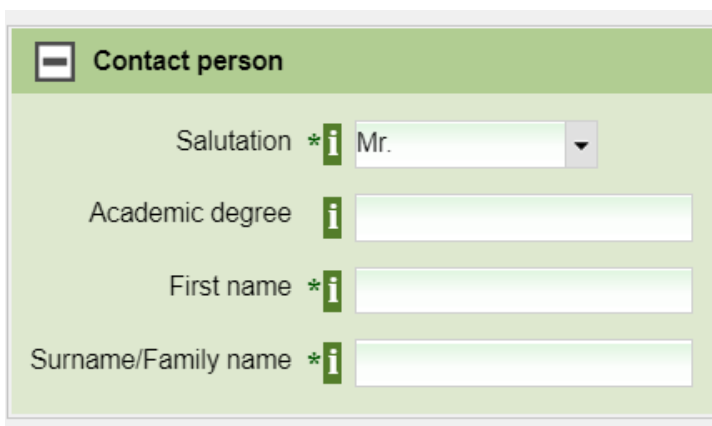

A rectangular button labeled "Cancel" with a blue underline, and a rounded rectangular button labeled "Continue" with a grey gradient and a drop shadow.

On the next page, a short name for the company is required here:

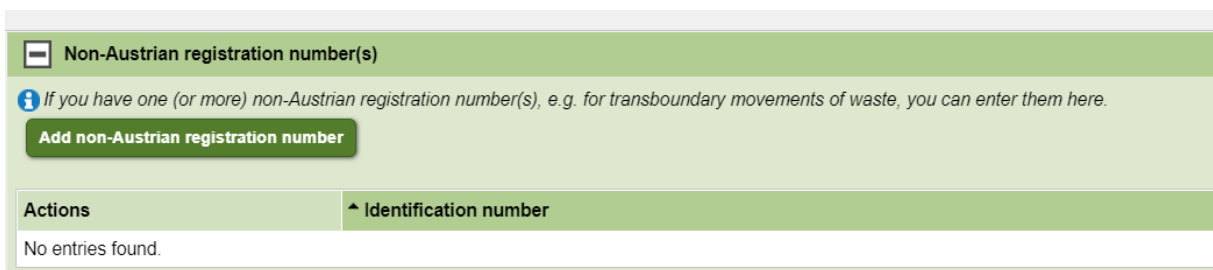

A form section titled "General data on legal person/organisation" with a minus sign icon. It contains three input fields: "Name" with the value "John Doe Transportation", "Short name" with the value "John Doe" (highlighted by a blue border), and "Alternative name" which is empty.

A contact person is required here:

A form section titled "Contact person" with a minus sign icon. It contains four input fields: "Salutation" with a dropdown menu showing "Mr.", "Academic degree", "First name", and "Surname/Family name", all of which are currently empty.

Please give your Non-Austrian registration number and a brief description thereof. (Note: before giving the non-Austrian registration number, the contact person must be specified):

A form section titled "Non-Austrian registration number(s)" with a minus sign icon. It includes an information icon and a text note: "If you have one (or more) non-Austrian registration number(s), e.g. for transboundary movements of waste, you can enter them here." Below this is a green button labeled "Add non-Austrian registration number". At the bottom, there is a table with two columns: "Actions" and "Identification number", and a row containing the text "No entries found."

Non-Austrian registration number (example) - Please provide a brief description:

Non-Austrian registration number(s)

If you have one (or more) non-Austrian registration number(s), e.g. for transboundary movements of waste, you can enter them here.
